

Drago Tree-Sta . Brigida-Cruz Gamonal 6

Start as 5, but passed the reservoir and descended to the bifurcation, follow the blue signs straight on downwards. In the bottom of the valley, nearby an orange plantation, go the path there right-hand. Passed the Drago tree, go the road to Los Silos straight on. Behind the turn-yet the church of Sta Brigida is visible-go left-hand a street softly downwards. Later go an smaller, unpaved street left-hand downwards to reach the bottom of the valley. Here starts the paved path upwards, which reaches Sta Brigida nearby the church. But go in opposite direction the Franco street to the main road (bus stop). Follow it upwards to an petrol station. Here change left-hand to an smaller street to "Cruz Gamonal". . Follow it upwards till Nr. 127, here turn left an small street, which changes in an path which reaches "Cruz Gamonal "besides an water distribution house and some waste containers. cross the roads, pass the 3 crucifixes and go downwards belowe the school. The street goes to the bottom of the valley and upwards another valley. Passed an barrier it ends at the start of the path upwards straight on some steps. You have to cross close vegetation the first 200m, later go upwards in zigzag between cactus. The path ends at an house, where the access street to it starts. Follow it upwards till the road "Montañon", which zou follow right-hand upwards. The red signs guide you to San Mateo
