

## **Las Lagunetas-Arinez 8**

To Utiaca go as the final of Walk 5, but in inverse direction. At the crossing the walk behind the church an aqueduct . , follow it(blue signs). It reaches the street to Zedra, follow it upwards till the turn. Here do the street straight on, which passes in the bottom of the valley the brook and, passed an chain, crosses it at second time. Ascended some meters, it ends at some steps upwards. Reached the terrasse of an house, follow left-hand some tubes. The path ends at some water houses. Here starts a path upwards between fences crossing a little bridge. Passed some zigzags it goes softly upwards, changing in street at some fields. Follow it to the junction with another, right- hand upwards. Follow these till the start of an path leftside going upwards. Beside some fields it goes upwards, passing in little descending an creek, to reach-converted in street-the main road above Arinez in ti turn right. Follow it downwards, passing the church. After a turn left leave it at some houses by an smaller street downwards right- hand. This street goes to "Cruz Herrero" where you follow Walk 5(red signs)

The black marked walks are not signed, but described in "Vega San Mateo Hiking guide", which is in Spanish at the public library and in English at "Servicios Sociales" in front of it obtainable
